

7 SIMPLE REASONS WHY SHAWNEE MOUNTAIN?

The Benefits of Starting a Club Here!

SAFETY AND SECURITY:

Our new lift badge system offers enhanced identification of your group members. Should a member become lost or injured on the mountain we can ID them quickly by name, group affiliation and if applicable have knowledge of important medical information.

A cell phone communication system connects group leaders directly to our Ski Patrol in the event that chaperone assistance is needed.

A single entry and exit point via footbridge to/from the public parking area to/from the base area buildings makes our security /parking staff monitoring activities more simple and discernable.

CONVENIENCE:

Leaders and members can now go “on-line” in the fall and sign-up for their packages including rental equipment. No more paper handling or hassle.

No matter what size the group, Shawnee Mountain will preset ski and snowboard rental equipment and have it ready for the group upon arrival.

WINTER SPORTS TEACHING: “We teach over 35,000 lessons each season”

Shawnee Mountain is the only regional ski area to use the “skill station” teaching method for new and beginner skiers. Kids and adults benefit by developing stronger fundamental skills at their own pace.

Shawnee Mountain Ski Area utilizes an ultra-modern “Snow-Sports Learning Center” featuring two “Magic Carpet” surface lifts and terrain that is expansive and properly contoured for successful teaching. This state of the art facility enhances the learning experience of both beginner and novice students.

GETTING READY FOR THE SEASON:

Use our information presentation service, day or night to get your members ready for their winter program. Ease concerns of first-time parents who are registering their children in your group.

LEADER AND MEMBER AMENITIES:

Of all Pocono ski areas, Shawnee Mountain's "VIP Ski & Ride Free Program" for group leaders is considered the most generous.

Members can enjoy inexpensive personal visits by using our early season "Kick-Off" and late season "Come-Back" coupon offers.

High quality name brand helmets are on sale to members at an extremely affordable price.

PROGRAM ORDER/PAYMENT ASSISTANCE:

Shawnee Mountain offers club members online ordering and credit card payment for ski and snowboard packages. Online ordering and payment is a secure and convenient option that takes the administrative burden of handling payments away from the group leaders and members like the convenience of paying by credit card. Shawnee Mountain can also customize package pricing to include your transportation and/or administrative fees.

GIVING BACK TO OUR CUSTOMERS AND COMMUNITY:

Shawnee Mountain recognizes that economic times have been difficult and some who have enjoyed the fun and benefits of participating in a ski club may not be able to continue.

Every season Shawnee Mountain offers "brick & mortar" clubs (i.e. schools and recreation department programs) up to two full package scholarships. These scholarships can be offered to any member in need, whether financial or otherwise.
